Write an English essay of about 250-300 words in length on the following topic:

A government official has said that college students who work part-time are “extremely stupid, selling cheaply their precious time of learning.”

Have you ever had a part-time job or summer job? If you have, how did you balance your work and school? Speaking from your experience, discuss the benefits and challenges of working part-time. If you have never had a part-time job, what do you think would be the advantages and disadvantages of working part-time during the college years? (100%)

Note: Be sure to write a *title* in its proper format for your essay, divide your essay into no less than *four paragraphs* and underline your thesis statement.
